Let's go to Disney!
Oh, boy – we have a chance to go to a Disney Park and have a lot of fun together!

I have always wanted to take you to Disney – they say it is the happiest place on Earth!

You will be so proud of yourself when you sleep all night in our big hotel bed – and you will be ready for another great day of fun at Disney!
Because Disney is far far away, we will have to stay in a hotel while we are there – we will stay for a couple days so we get to see everything!

On this trip will be staying in a hotel – sort of our home away from home.

This is ok and it will be lots of fun!

You get to sleep with Mom & Dad right in the same room!

If I wake up during the night, I will go back to sleep by myself. This is ok.

I will try and sleep all night.

I will try and sleep all night.
In our room we can:
- watch TV
- play with toys or videogames
- put food in the mini-fridge
- eat snacks
- sleep in the hotel bed.

Our big hotel bed will be a good place to be in when we are tired and need some rest. If we sleep at the hotel, we are close to the fun for the next day, too. We will stay for a few days and then come home.
You are going to sleep very well in our big hotel bed. If we sleep in bed all night, we will be well rested for the next super fun day.

It’s so much fun to sleep in a hotel! The bed is big & high off the ground. This is ok.

When it is time to sleep, we still need to take a bath and brush our teeth.
In bed I can:
- eat my bagel
- play with my Ipad & videogames
- listen to music
- watch TV, or u-tube or Blackberry

Mom will lay beside in bed. When I am sleeping, she will turn off the TV.
