

**If he sees his shadow, he will be scared
and back down he goes to get more rest
– and winter will last another 6 weeks.**

**If he sees no shadow, he will come out
and play – and spring will be on it's way!**

**HAPPY
GROUNDHOG
DAY!**

HAPPY GROUNDHOG DAY!

Will he see his shadow?

Will spring come early or 6 more weeks of winter?

Happy Groundhog Day!
